If you are looking for an internship on an exciting project, working with people who are passionate about building a better world, consider an internship with Common Good Finance. We have widely diverse focus areas to choose from and we would love to have you join us in creating and promoting common good banks™. Our team includes dozens of people all over the world. Here are some possible focuses for your internship:

- Web Development / Programming
- Videography
- Volunteer Management
- Grant Writing
- Fundraising
- Event Planning and Management
- Legal Research
- Technological Research
- Outreach to Related Nonprofits
- Publicity
- Blogging

What It Takes: courage, integrity, friendliness, passionate commitment to social and economic justice, enthusiasm about the common good bank idea, can work independently and as part of a team, can talk easily with anyone and say things simply and clearly, basic computer skills.

Common Good Banks – not just another bank with a social mission. This is a social mission with a bank:

- All profits go to schools and other nonprofits.
- Depositors decide what the bank should invest in.
- Free local credit card processing for local businesses.
- Micro-loans for new businesses and community projects.
- A full range of secure, FDIC-insured banking services.
- Committed to sustainability and economic justice.
